

## Feelings

### Up Dharma Down

Para sa vocalist ko, Ms. Rose Ocampo =) nakapa ko na!!!

**D** **A**  
Breaking through the night  
**D** **A**  
In this cold Fahrenheit  
**G** **Em**  
Shadows have left  
**G** **Em**  
Crying got old  
**D** **A**  
Bland and bittersweet  
**D** **A**  
Wondering what went wrong  
**G** **Em**  
There goes all hope  
**G** **Em**  
There goes all hope  
**G**  
But the feeling  
**F#m** **Bm**  
It tries to escape  
**G**  
Bleeds through the light  
**F#m** **Bm**  
Even when I close my eyes  
**G**  
Its not seething  
**F#m** **Bm**  
The weight on this shoulder  
**G** **F#m**  
I can t wait to chase the fiction home  
**Bm**  
And carry on  
**D** **A**  
Favors in reverse  
**D** **A**  
Songs are unrehearsed  
**G**  
When I get through this  
**Em**  
I hope I get through you  
**D** **A**  
Stains on my mind  
**D** **A**  
The cloud on that hour  
**G**

The minute you closed the door

**Em**

My eyes washed the floor

**G**

Baby, baby it s hard to say

**F#m**

But there seems to be no other way

**Bm**

You left and you were right

**A**

So I have to let us down this time

Cause I can t

**G**

Cause I can t feel it

**F#m**

No other way but down

**Bm**

No other way but down

**G**

You said so yourself

**F#m**

It s just

It s just a feeling

**Bm**

It s just a feeling

Then just do the chord pattern G-F#m-Bm until it ends

What are you crying for

What are you crying for

When it s just a feeling

God knows you can get through this

When it s just a feeling

They are just feelings

These are just feelings

I wanna know

Do you feel anything

As you go on your way

Driving home

As I sleep alone tonight

I wanna know

Do you feel anything

For me

Is there anything you like to say tonight?

Before I go

Before I go...forever...

Thank you sa mga nag uupload ng mga TABS atleast kahit papano nakadagdag din ako

dito sa

wakas. Please rate my chord pattern
