

**Kings And Queens**  
**Urban Cone**

Hey all! Love this song and the chords are really easy to play, enjoy! :)

Intro: **C|C|C|C|F|F|F|F**

**C**

Lets race a flight like movie stars, lets steal a car

**F**

And run away, away from home

**C**

Lets try and make them understand

What we want, and what we need

**F**

And what we re born to do

**Am**

I m not the one you used to know

**G**

I m not the one you used to know

**C**

Run with me, through all cities

**F**

Someday we ll be kings and queens

**Am**

**G**

Run with me, through all cities

**F**

Someday we ll be kings and queens

**C**

Let s talk about your biggest dreams, who you are

**F**

No boundaries here, we re on our own

**C**

Lets try to make me understand, what you want

**F**

And what you need, and what you re born to do

**Am**

You re not the one I used to know

**G**

You re not the one I used to know

**C**

Run with me, through all cities

**F**

Someday we ll be kings and queens

**Am**

**G**

Run with me, through all cities

**F**

Someday we ll be kings and queens

**C|C|C|C|F|F|F|F**

**C**

Just run with me, through all cities

**G**

Someday we ll be kings and queens

**C**

Run with me, through all cities

**F**

Someday we ll be kings and queens

**Am**

**G**

Run with me, through all cities

**F**

Someday we ll be kings and queens
