

Fight Is Over
Urban Dub

[Verse]

Am G F G F

When the fighting is over
Coz our mouths have just run dry
As our feelings get colder
Thereâ€™s nothing to hold us now
Gave all this time just to be let down

[Chorus]

Am G F G F

Explain to me
What has become of us?
With words released
We can never take them back
For all that were worth now
Not even pleading can save us
How did we end this way?
Our promises thrown away
All the years we built, broken up
See it crashing down
I have to say
Though alone in this crazy sea of faces
Itâ€™s still your face I wanna know

[Verse]

Am G F G F

I know youâ€™ll meet someone better

But would still think of me

If he canâ€™t hold you like I did

Would you run back to me?

I know this pain shall pass

Gave all this time still we couldnâ€™t last

[Chorus]

Am G F G F

Explain to me

What has become of us?

With words released

We can never take them back

For all that were worth now

Not even pleading can save us

How did we end this way?

Our promises thrown away

All the years we built, broken up

See it crashing down

I have to say

Though alone in this crazy sea of faces

Itâ€™s still your face I wanna know
