

Contain Our Love
Urban Rescue

Urban Rescue - Contain Our Love
Album- Just to Be Here

Intro:

B//// **B**//// **G#**//// **E**////

Verse:

B

Hear the sound of rushing wind,

G# E

the fire of God is ushered in,

Is ushered in

B

Our hearts awake before you.

Our songs await your radiant light **G# E**

To touch our eyes

Pre-Chorus:

F#

E

We long to lift you higher

Chorus:

We can't contain our love, We can't contain our love

Not holding back our love, Just words are not enough

Not enough

B//// **B**//// **F#**//// **E**////

Verse:

B

Your praise falls on our lips,

G# E

Clouds break to comfort us with a kiss

B

Glory falls

B

Our hearts awake before you,

G# E

Our songs await magnificent light

B

To touch our lives

Pre-Chorus:

F#

E

We long to lift you higher

Chorus:

We can't contain our love, We can't contain our love

Not holding back our love, Just words are not enough

Not enough

Instrumental:

B//////// C#// B//////// C#// F#//// E////

Chorus 2:

B **C# B** **C# G# E**

We can't contain our love, We can't contain our love

B **C# B** **C# G# E**

Not holding back our love, Not holding back our love,

B **C# B** **C# G# E**

We can't sing loud enough, We can't sing loud enough
