I can t believe y all are still sayin

**G**  
We re a long way from rock n roll

**D** **C**  
You won t look for the good in the tunes we re playin

**G**  
You prefer to say we got no soul

**Em** **A**  
But day after day in town after town

**G** **D**  
People say we re doin alright

**Em** **A**  
We play and we stay boogyin down

**G**  
Rockin on into the night

It s breath and words and time you re wastin  
When you should be tryin to have a good time  
For a good few years it s been yours we ve tasted  
So here s a little piece of our mind

We ll roll and we ll roll and we ll roll and we ll roll  
Till we run out of reason to try  
If it happens you don t approve  
It doesn t matter we won t ask why

**A** **Bm**  
You can t keep a good band {Bm}down

**D** **A**  
You ll never find the solution

**A** **Bm**  
You won t stop us runnin around

**D** **A**  
You re dealin with an institution

We ll fill our cup with wine while you  
Fill your head with high ideals  
You }know so much but you still can t touch  
Tillyou find out how it feels

It ll take much more than the high and mighty  
To bring down the king of the road  
We could {still be friends and quit this fightin

And let the real story be told

You see you {A}can t keep a good band {Bm}down  
You ll {D}never find the solu{A}tion  
You {A}won t stop us runnin {Bm}around  
You re {D}dealin with an institu{A}tion

You can t keep a good band down  
You ll never find the solution  
You won t stop us runnin around  
With your paragraphs of pollution
