I m so sorry for the things I ve done
And the times it went a little wrong
Try to understand that I made my plans
With my love for you in mind

Sometimes you get the wrong idea
And I can t seem to make it clear
If my heart doesn t show it s cause I don t know
The best way to say I love you

Every living day you fill my heart with a breath of spring
And I search the universe for some joy that I can bring
To you
