

Illusion

Uriah Heep

Dm F G A# Dm
In a forest known as heartbreak
F G A# Dm
In a clearing in the wood
F G A# Dm
Cross a pathway called confusion
F G A#
Toward the garden of delight

Dm
You ll reach the river of desire
C A#
And meekly try and cross it
Dm
While the valley of love
C
Keeps avoiding you
A# Dm F G A#
Because it s only an illusion
Dm F G A#
Only an illusion

Upon the hill of high ideals
You begin to wonder if it s real
You are reaching sleep s oasis
You begin to wonder how you feel

But it happens so quickly
It doesn t fit into your scenes
Tossin and turnin
The star of so many scenes
It s only an illusion

Bm
It s only an illusion
