Will you risk your reputation
B E A
I don t know
B E A
You just don t know
E B
What you re saying
B E A
Anymore
B E A
You know beggars
E B
Can t be choosers
B E A
And it s fair
B E A E B
we may win, we may be losers

B E A B
I don t care, no no no

E B
Oh baby, I just can t stand

A
Another lonely night

B E
So come on over and save me

B A B
Save me from another lonely night

I hear every word you re saying
They re all lies
But with every breath you re taking
You re thinking of
Ways to say goodnight

Baby, I just can t stand
Another lonely night
So come on over and save me
Save me from another lonely night
Come on over
Come and save me.
