

One Day

One day

Em F G Am

G D C G  
Didn't I tell you everything was gonna be alright

C Em A D  
I never doubted it was just a matter of time

G D C G  
And though I've travelled across the desert of despair  
C Em Am Bm Em  
I knew I'd get there yeah One Day

How times have changed... I been a real rearranging everything  
But it can't change the love I felt when I get back home to you  
I am the same, it's just a game that I choose to play  
But remember I can lose as fast as I won... One Day

G Bm  
I still remember the hole in the wall  
Am D  
Where we all sat through you said we'd fall  
G Bm  
The dusty yard and the broken down barn  
Am D  
Where you and me used to share a yarn  
Em F G Am Em F G Am  
But it's gone now

But didn't I tell ya everything was gonna be alright  
I never doubted it was just a matter of time  
And though I travelled across the desert of despair  
I knew I'd get there One Day...

Am Bm C D Em  
I'd get there one day
