One day

Ebm E F# G#m

F# C# B F#

Didn't I tell you everything was gonna be alright

B Ebm G# C#

I never doubted it was just a matter of time

F# C# B F#

And though I've travelled across the desert of despair

B Ebm G#m Bbm Ebm

I knew I'd get there yeah One Day

How times have changed... I been a real rearranging everything
But it can't change the love I felt when I get back home to you
I am the same, it's just a game that I choose to play
But remember I can lose as fast as I won... One Day

F# Bbm

I still remember the hole in the wall

G#m C#

Where we all sat through you said we'd fall

F# Bbm

The dusty yard and the broken down barn

G#m C#

Where you and me used to share a yarn

Ebm E F# G#m Ebm E F# G#m

But it's gone now

But didn't I tell ya everything was gonna be alright
I never doubted it was just a matter of time
And though I travelled across the desert of despair
I knew I'd get there One Day...

G#m Bbm B C# Ebm

I'd get there one day
