One day

F#m G A Bm

A         E         D                  A
Didn t I tell you everything was gonna be alright
D       F#m             B                  E
I never doubted it was just a matter of time
A             E         D                  A
And though I ve travelled across the desert of despair
D           F#m             Bm C#m F#m
I knew I d get there yeah One    Day

How times have changed... I been a rea rearranging everything
But it can t change the love I felt when I get back home to you
I am the same, it s just a game that I choose to play
But remember I can lose as fast as I won... One Day

  A                    C#m
I still remember the hole in the wall
     Bm                      E
Where we all sat through you said we d fall
     A                   C#m
The dusty yard and the broken down barn
     Bm                  E
Where you and me used to share a yarn
        F#m G A Bm   F#m G A Bm
But it s gone    now

But didn t I tell ya  everything was gonna be alright
I never doubted it was just a matter of time
And though I travelled across the desert of despair
I knew I d get there One Day...

Bm  C#m  D      E    F#m
I d get there one day
