One day

F#m G A Bm

A   **E**   **D**   **A**
Didn t I tell you everything was gonna be alright
D   **F#m**   **B**   **E**
I never doubted it was just a matter of time
A   **E**   **D**   **A**
And though I ve travelled across the desert of despair
D   **F#m**   **Bm C#m F#m**
I knew I d get there yeah One   Day

How times have changed... I been a rea rearranging everything
But it can t change the love I felt when I get back home to you
I am the same, it s just a game that I choose to play
But remember I can lose as fast as I won... One Day

 A   **C#m**
I still remember the hole in the wall
   Bm   **E**
Where we all sat through you said we d fall
  A   **C#m**
The dusty yard and the broken down barn
   Bm   **E**
Where you and me used to share a yarn
     F#m G A Bm **F#m G A Bm**
But it s gone   now

But didn t I tell ya everything was gonna be alright
I never doubted it was just a matter of time
And though I travelled across the desert of despair
I knew I d get there One Day...

Bm **C#m** **D**   **E**   **F#m**
I d get there one day
