

Universal Wheels

```

```

All the fields are smoke and flame
      Dm          F / D - G / D
Fire in the sky
      Dm          F/D    G/D
It s a state of emergency
      Dm          F / D - G / D
Much more than meets the eye
      Dm          C/D          G/D
Just hide away your tears

There are many more hidden fears
