C

We freely speak of dreams

E7

We marvel at what they conceal

Dm7

But in my wonderworld

A#

Each sleeping vision is so real

F

So I believe and hope

Am

That all the things I see

G

May one day bring such truth and peace

A#

As we can feel

Free from this waking world

Deep in sleep s mystery

My will is free to wander

Free to wander carelessly

At times it s not so far

From what we call reality

And at times I know I wonder

If it all could come true

C# Fm A#m

Oh, Mr. Wonderworld

G#

Don t be afraid cause dreams were made

C#

Fm

Were made to dim the light

A#m

F

The torment day can bring and leave you free

A#m

To laugh aloud and hear your heart bells ring

F# G# A#m

Oh, oh, Mr. Wonderworld

G# F

Wonderworld

E C E F G C

Oh, Mr. Wonderworld
Don't be afraid
Cause your dreams were made
They were made to dim the light
The torment day can bring
And leave you free
To laugh aloud and hear
Your heart bells ring
Oh, oh, Mr. Wonderworld
