C#

We freely speak of dreams

F7

We marvel at what they conceal

Ebm7

But in my wonderworld

B

Each sleeping vision is so real

F#

So I believe and hope

Bbm

That all the things I see

G#

May one day bring such truth and peace

B

As we can feel

Free from this waking world

Deep in sleep s mystery

My will is free to wander

Free to wander carelessly

At times it s not so far

From what we call reality

And at times I know I wonder

If it all could come true

D F#m Bm

Oh, Mr. Wonderworld

A

Don t be afraid cause dreams were made

D

F#m

Were made to dim the light

Bm

F#

The torment day can bring and leave you free

Bm

To laugh aloud and hear your heart bells ring

G A Bm

Oh, oh, Mr. Wonderworld

A F#

Oh, Mr. Wonderworld

Don't be afraid

Cause your dreams were made

They were made to dim the light

The torment day can bring

And leave you free

To laugh aloud and hear

Your heart bells ring

Oh, oh, Mr. Wonderworld
