C# B A E

Three feet of gravity
pulling lengthwise, rip me up
Stars dissolve above
down to black below

[Chorus]

G A

Black hole

C

A

I ve seen this all before

G A

Black hole

C# B A E

Fingers clutch my head
Gouge my eyes, you want me blind
Inside you no hope for me
In a void of complacency

[Chorus]

G A

Black hole

C

A

I ve seen this all before

G A

Black hole
