Make You Love Me
US

Intro : **E B F#m E**
E   **G#m**
If you put your cigarette down
                              A   **E**
If you put your cigarette down
E   **G#m**
If you put your cigarette down
                                A
Youâ€™ll figure out
                                                  E
The pain is self inflicted
                              C#m
Now you are addicted
       G#m   **A**
To hating the love that Iâ€™m giving you
                        F#   **A**
What will you do, when Iâ€™m goneâ€¦

Reff :
E   **B**   **A**   **Am**
Do I have to go away to make you love me
E   **B**   **A**   **Am**
Do I have to go away to make you love me..
Intro
E   **G#m**
Will you put your cigarette down
                                A   **E**
Will you put your cigarette down
E   **G#m**
Will you put your cigarette down
                                A
So we can talk
                                                  E
â€˜bout how far we have drifted
                              C#m
Never predicted
          G#m   **A**
Too late to fix everything weâ€™ve been through
                              F#   **A**
What will you do, when Iâ€™m goneâ€¦

Back to Reff
C#m   **G#m**
I hate to see you cry
                                          A   **E**
But you are the reason why itâ€™s over
C#m   **G#m**

You brought this on yourself

                                        A   E   A
You are screaming what the hell itâ€™s over
Back to Reff
E
Dont know what you have â€˜till itâ€™s gone
B
Dont know what you have â€˜till itâ€™s gone
A
Dont know what you have â€˜till itâ€™s gone
Am
Awayâ€¦
Am
Make You Love Me
