

**At Least I Tried  
Useless ID**

At least I tried (acoustic) By Useless ID (Yotam Ben-Horim)

Really love this song, especially the acoustic version performed by Yotam in the Ozen Bar in Tel Aviv (Youtube...), even if some chicks can't help chatting while the song's running...

Capo 2 Standard tuning

**E G#m A E B**  
How come first love always last a life time?

**C#m G#m A B**  
8 years ago. First time that I saw you.

**E G#m A E B**  
Ever since then I had my yearly thought

**C#m G#m A B**  
Of how shy of me to never come and tell you that...

**E A**  
Many days that I remember sitting by the phone,

**B E B**  
Crying and afraid to call you, knowing you're at home.

**C#m**  
We're both alone and I can't help it.

**A B**  
How about I just wait one more Monday...

#Intro#

It s a rainy day outside and it s colder on this bus.  
I just saw you across the street, waiting.  
Next stop I m getting off to relive my 80 s drama flick.  
You are gone. Tommorrow I ll call in sick.

Many days that I remember sitting by the phone,  
Crying and afraid to call you, knowing you re at home.  
We re both alone and I can t help it.  
How about I just wait one more monday...

**G#m E** **A**
