**C** - x32010  
**G** - 320003  
**Am** - x02210  
**F** - 133211  
**G/B** - x2x003  
**Bb** - x13331  
**Em** - 022000

Intro: C--

Verse 1:

**C**            **G/B**            **Am**  
Always looking for despair  
                         **F**  
when you are complicating  
**C**            **Em**  
Things that don't exist in  
**Am**                            **F**  
there somehow deserve berating  
**C**            **G/B**            **Bb**  
As everybody laughs can't look  
                         **F**                            **G--**  
them in the eye. It's alright

Verse 2:

**C**            **G/B**  
There is nothing in your  
**Am**                            **F**  
heart that can't stay forever  
**C**            **Em**  
Surprised at what you pull  
**Am**                            **F**  
apart until it stays together

**C** **G/B**  
Sort of like a star that s  
**Bb** **F**  
clearly lost it s shine  
G--  
tonight, it s not bright

Refrain:

**Am**  
So when you give up  
don t expect me  
**G**  
to be around agian  
**F**  
Because you lost yourself  
**G**  
and you lost a friend  
**Am** **G**  
I m not listening anymore  
**F**  
So when you come  
**G**  
knocking on my door

Chorus:

**C** **G/B**  
I ll be gone  
**Am**  
somewhere inside  
**F**  
and you ll be stuck  
**G** **C**  
without a ride  
**G/B**  
I ll be gone  
**Am**  
somewhere inside  
**F**  
and you ll be stuck  
**G** **C**  
without a ride  
**G/B**  
I ll be gone  
**Am**  
somewhere inside  
**F**  
and you ll be stuck  
**G** **C** **G/B** **Am**  
without a ride  
**F**

and you ll be stuck  
          **C**  **G/B** **Am**  
without a ride

**F**  
and you ll be stuck  
          **G**  **C**  
without a ride
