

Can You Handle It
Usher

this is my first tab... its cool...

() = optional

INTRO:

```
e-----|
b----- (9)---- (7)--|
g-----| Repeat x 4
d-----11-----|
a-----11-----9---|
e--5--7--8-----|
```

VERSE:

```
e--x----x--|
b--9----7--|
g--x----8--| Repeat until chorus
d--9----9--|
a--7----x--|
e--9----7--|
```

CHORUS:

```
e--x----x--|
b--9----7--|
g--x----x--| Repeat until verse
d--6----4--|
a--8----6--|
e--9----7--|
```

The (986x9x) can be substituted for (68x89x)
The (764x7x) can be substituted for (46x67x)

thats my version of the whole song... the chorus sounds kinda major instead of minor...
it works... the verse and the chorus r basically the same except the chorus is a high
any ideas hit me up
