He got you trapped, Iâ€™ll set you free

Sexually, mentally, physically, emotionally

Iâ€™ll be like your medicine, youâ€™ll take every dose of me

Itâ€™s going down on aisle 3, Iâ€™ll bag you like some groceries

And every time you think about it you gonâ€™ want some more of me

About to hit the club, make a movie yeah rated R

Pulled up like a trap star,

That s if you have yo regular car

You ever made love to a thug in the club with his Sice on

87 jeans and a fresh pair of Nikes on

On the couch, on the table, on the bar, or on the floor

You meet me in the bathroom yeah you know Iâ€™m trying go
