Baby I m coming for you
You keep doin' it on purpose winding and working it
If we close our eyes it could be just me and you

I wanna make love (in this club in this club, in this club)
I wanna make love (in this club in this club, in this club)
I wanna make love (in this club, in this club, in this club)
I wanna make love in this club (in this club, in this club)

I'm what you want, I'm what you need
He got you trapped, I'll set you free
Sexually, mentally, physically, emotionally
I'll be like your medicine, you'll take every dose of me
It's going down on aisle 3, I'll bag you like some groceries
And every time you think about it you gon' want some more of me
About to hit the club, make a movie yeah rated R
Pulled up like a trap star,
That s if you have yo regular car
You wanna make love to a thug in the club with his Sice on
87 jeans and a fresh pair of Nikes on
On the couch, on the table, on the bar, or on the floor
You can meet me in the bathroom yeah you know I'm trying go

Might as well give me a kiss,
If we keep touching like this
I know you scared
They don t know what we doin
Lets both get undressed right here,
Keep it up girl I swear
I ma give it to you none stop
And I don t care who s watchin

I had fun with this one :)
have a good one
