

**My Boo**  
**Usher**

It s pretty much **Am**, **G**, **F** and **G** throughout the whole song

[Usher intro:]

**Am** **G**  
There s always that one person  
**F** **G**  
That will always have your heart  
**Am** **G**  
You ll never see it coming  
**F** **G**  
Cause you re blinded from the start  
**Am** **G**  
Know that you re that one for me  
**F** **G**  
It s clear for everyone to see  
**Am G F**  
Ooh baby ooh  
**Am**  
you ll always be my boo

[Alicia intro:]

I don t know bout cha ll  
But I know about us and uh  
This is the only way  
We know how to rock  
I don t know bout cha ll  
But I know about us and uh  
This is the only way  
We know how to rock

[Usher Verse:]

Do you remember girl  
I was the one who gave you your first kiss

Cause I remember girl

I was the one who said put your lips like this

Even before all the fame and

People screaming your name

Girl I was there when you were my baby

[Chorus:]

[Usher:]

It started when we were younger

You were mine my boo

Now another brother s taking over

But its still in your eyes my boo

Even though we used to argue it s alright

I know we haven t seen each other

In awhile but you will always be my boo

[Alicia:]

I was in love with you when we were younger

You were mine my boo

And I see it from time to time

I still feel like my boo

And I can see it no matter

How I try to hide my boo

Even though there s another man who s in my life

You will always be my boo

[Alicia Verse:]

Yes I remember boy

Cause after we kissed

I could only think about your lips

Yes I remember boy

The moment I knew you were the one

I could spend my life with

Even before all the fame

And people screaming your name

I was there and you were my baby

[Chorus:]

[Usher:]

It started when we were younger

You were mine my boo

Now another brother s taking over

But its still in your eyes my boo

Even though we used to argue it s alright

I know we haven t seen each other

In awhile but you will always be my boo

[Alicia:]

I was in love with you when we were younger

You were mine my boo

And I see it from time to time

I still feel like my boo

And I can see it no matter

How I try to hide my boo

Even though there s another man who s in my life

You will always be my boo

[Usher:]

My oh, My oh, My oh, My oh, My Boo

[Alicia:]

My oh, My oh, My oh, My oh, My Boo

[Chorus:]

[Usher:]

It started when we were younger

You were mine my boo

Now another brother s taking over

But its still in your eyes my boo

Even though we used to argue it s alright

I know we haven t seen each other

In awhile but you will always be my boo

[Alicia & Usher:]

I don t know bout cha ll

But I know about us and uh

This is the only way

We know how to rock

I don t know bout cha ll

But I know about us and uh

This is the only way

We know how to rock
