Usher
It s pretty much Am, G, F and G throughout the whole song
[Usher intro:]
       Am
There s always that one person
That will always have your heart
         Αm
You ll never see it coming
                F
Cause you re blinded from the start
            Am
Know that you re that one for me
It s clear for everyone to see
         F
   Am G
Ooh baby ooh
                     Am
you ll always be my boo
[Alicia intro:]
I don t know bout cha ll
But I know about us and uh
This is the only way
We know how to rock
I don t know bout cha ll
But I know about us and uh
This is the only way
We know how to rock
[Usher Verse:]
Do you remember girl
```

I was the one who gave you your first kiss

```
Cause I remember girl
I was the one who said put your lips like this
Even before all the fame and
People screaming your name
Girl I was there when you were my baby
[Chorus:]
[Usher:]
It started when we were younger
You were mine my boo
Now another brother s taking over
But its still in your eyes my boo
Even though we used to argue it s alright
I know we haven t seen each other
In awhile but you will always be my boo
[Alicia:]
I was in love with you when we were younger
You were mine my boo
And I see it from time to time
I still feel like my boo
And I can see it no matter
How I try to hide my boo
Even though there s another man who s in my life
You will always be my boo
[Alicia Verse:]
```

```
Cause after we kissed
I could only think about your lips
Yes I remember boy
The moment I knew you were the one
I could spend my life with
Even before all the fame
And people screaming your name
I was there and you were my baby
[Chorus:]
[Usher:]
It started when we were younger
You were mine my boo
Now another brother s taking over
But its still in your eyes my boo
Even though we used to argue it s alright
I know we haven t seen each other
In awhile but you will always be my boo
[Alicia:]
I was in love with you when we were younger
You were mine my boo
And I see it from time to time
I still feel like my boo
And I can see it no matter
How I try to hide my boo
```

Yes I remember boy

```
Even though there s another man who s in my life
You will always be my boo
[Usher:]
My oh, My oh, My oh, My Boo
[Alicia:]
My oh, My oh, My oh, My Boo
[Chorus:]
[Usher:]
It started when we were younger
You were mine my boo
Now another brother s taking over
But its still in your eyes my boo
Even though we used to argue it s alright
I know we haven t seen each other
In awhile but you will always be my boo
[Alicia & Usher:]
I don t know bout cha ll
But I know about us and uh
This is the only way
We know how to rock
I don t know bout cha ll
But I know about us and uh
This is the only way
We know how to rock
