D **C**

Live it till it s gone

G

I m just saying that what don t kill,

D **C**

only makes you strong

Em

If you don t recognize what is real

D **C**

Then forever is a long, long, long, long, long, long, long, long

Em

Time

D

C

Some things never change here we go again

Em **D**

Feel like I m losing my mind

C

Shake it off, let it go, I don t care any more

G D C

Just go numb

You never know until you let go

G D C

Let s go numb

G

I can feel you now

Keep on doing the same old thing

And you expecting change

Well is that really insanity

Or just a losers game?

I only trust in the things I feel

Some may say that s strange

You better recognize what is real

Cause forever is a long, long, long, long, long, long, long, long time

Some things never change, here we go again

Feel like I m losing my mind

Shake it off, let it go, I don t care any more

Let s go numb

You never know until you let go

We all go numb

I can feel you now

(Numb)

(Numb)

Em D C

I can feel you now

I can feel you now

I can feel you now

But you can't feel it, do ya?

(Numb)

Shake it off, let it go, I don't care anymore

(Numb)

I can feel you now

(Numb)

I can feel you now

(Numb)

I can feel you now
