Slow Jam
(Usher)

B
I was all alone,
G#m7
I was feelin rather low,
C#m7 **F#7**
I needed someone to lift my spirits up
B **G#m7**
So I dropped in on a dance just to take a glance
C#m7 **F#7**
And there this lovely thing was, she was more than enough
G#m7
I asked her for her hand
D#m7
Said would you like to dance?
E **F#**
So pleased that I had asked, she quickly took my hand
E **F#**
And we danced and fell in love, on a slow jam...Ohhhhhh

Chorus

B **G#m7**
Play another slow jam this time make it sweet
C#m7 **F#**
On a slow jam, for my baby and, me yeah
B **G#m7**
Play another slow jam this time make it sweet
C#m7 **F#**
On a slow jam, for my baby and for me yeah

(Monica)

B **G#m7**
Seems what you say is true, I feel the same way too
C#m7 **F#7**
See I've waited all night long, just to dance with you
B **G#m7**
And when you touched my hand I knew you were the man
C#m7 **F#7**
To tu...rn my world around, and make my dre...ams come true
G#m7 **D#m7**
The magic in your eyes made me realize
E **F#**
That everything I feel, has got to be real
E **F#**

And we danced and fell in love, on a slow.....jam
