Chorus - Same chord progression throughout the rest of the song

That my heart is in two different places  
I got you in my life and i wanted her right

But its hard to let it go  
When my love has two different faces  
And i cant pretise coz they both look right  
Someone tell me what s a man to do  
When he s loving two  
And he don t wanna lie  
But he can t tell the truth

p.s.  
love this song!
