USS (Ubiquitous Synergy Seeker)

Porno Star Trek - Ubiquitous Synergy Seeker

Tabbed by: Nick
Email:nick_nat_002@hotmail.com

Ubiquitous Synergy Seeker (aka USS) is a band from Toronto that I highly suggest everyone check out and go see live if possible. This song is supposed to be played with bar chords but I decided to tab it this way because it s easier and sounds just as good. If you want bar chords figure it out yourself. I encourage comments and corrections, I discourage insults.

Keep it Real.

Tuning: Half Step Down

G Am C Em
eb|-3---0---0---0---|
Bb|-3---1---1---0---|
Gb|-0---2---0---0---|
Db|-0---2---2---2---|
Ab|-2---0---3---2---|
Eb|-3-----0---|

G Am C
You make me feel like,

Em
A shooting star

G Am C
You make me feel like,

Em
A porno star

G Am
You hold me closer still,

C Em
When I get paranoid

G Am
You give your hand to hold,

C Em
When I lose control

Chorus:

Am C
You re like my compass and

Em G
We always find our way

Am C

You bring your smile and wipe

Em G

Away my shitty day

Am C

This sudden alchemy

Em G

Has got me holding on

Am C

Stand-by auxiliary

Em G Em

Signals holding strong

G Am

You make me so content

C Em

With everything I am

G Am

You bring me up and in

C Em

When I m down and out

G Am

Heroine of confidence

C Em

When I m strung out on doubt

G Am

If I m not making sense

C Em

You sort the riddles out

Chorus:

You re like my compass and

We always find our way

You bring your smile and wipe

Away my shitty day

This sudden alchemy

Has got me holding on

Stand-by auxiliary

Signals holding strong

G Am

You re so my everyday

C Em

You re so my sweetest love

G Am

You re so the greatest change

C Am

I m always dreaming of

(Play this verse twice)

Am C Em G x4

Em

Chorus:

You re like my compass and
We always find our way
You bring your smile and wipe
Away my shitty day

This sudden alchemy
Has got me holding on

Play these two lines of the chorus six times and then end on Am
