

Sweet Night

V (BTS)

C

On my pillow

Em

Can't get me tired

Am7

Sharing my fragile truth

F7M

That I still hope the door is open

C

'Cause the window

Em

Opened one time with you and me

Am7

Now my forever's falling down

F7M

Wondering if you'd want me now

C

How could I know

Em

One day I'd wake up feeling more

Am7

But I had already reached the shore

F7M

Guess we were ships in the night, night, night

C

Ah-ah-ah, Ah-ah-ah

Em

Am7

Ah-ah-ah, Ah-ah-ah

F7M

We were ships in the night, night, night

C

I'm wondering, are you my best friend?

Em

Feels like a river's rushing through my mind

Am7

I wanna ask you if this is all just in my head

F7M

My heart is pounding tonight, I wonder

C

Em

If you are too good to be true

Am7

And would it be alright if I

F7M

Pulled you closer

C

How could I know?

Em

One day I'd wake up feeling more

Am7

But I had already reached the shore

F7M

Guess we were ships in the night, night, night

C

Ah-ah-ah, Ah-ah-ah

Em **Am7**

Ah-ah-ah, Ah-ah-ah

F7M

We were ships in the night, night, night
