Subject: CHORDS: Lie I Believe by the V-roys.

Lie I Believe - The V-roys
Words and music by the V-roys
>From the album Just Add Ice on E-squared records.
(This is Steve Earle s label, catalog # 1050-2)

This album was released in the fall of 96 and is an excellent roots-rock type record, though one tune (Cry) sounds a bit like early Police and others are reminiscent of, maybe, Cracker and even Elvis Costello w/ the Attractions. However it gets binned, this is great American rock and roll laced with country, very well done, with loads of lyrical cleverness and passion but it probably won t be played on American radio since it doesn t fit snugly into a particular genre. Let s just call it V-roys music, and f@!* the radio--buy the album!

F

Well I dial your number maybe third times a charm

Вb

And you make a pillow in the crook of his arm

When you put on your story I will sigh with relief

Bb C F

Whatever you say dear its a lie I believe

F

Our car windows are steamy like the blue in your eyes

Bb

And I stare at the moonlight shining down on your thighs

Dm

Why is love that is so pure got to be so na?ve?

But if you stand naked the mirror won t lie ${\bf c}$

But it has to be filtered through the wish of an eye $${\tt Bb}$$

And all that I needed was your reflection of me

You said I was someone its a lie I believe

Instrumental break:

The first bar is a barre chord E minus bass notes, then slide down to Eb and then D (I m not sure here but it sounds okay) before moving up to A for the second bar: play along and its easy to mimic.

Soon the valley will ripen not long after the snow

New loves will find me when they re old they will go

But some love lasts forever that s why I grieve

Bb C F

Time heals all wounds is a lie I believe

F Bb Dm

But if you stand naked the mirror won t lie

C F

But it has to be filtered through the wish of an eye $${\tt Bb}$$

And all that I needed was your reflection of me

Bb C F

You said I was someone its a lie I believe

Bb C F

You said I was someone its a lie I believe

Bb C F

You said I was someone its a lie I believe

Big rousing finish:

 $\mathbf{F}/\mathbf{Bb}/\mathbf{C}/\mathbf{F}$
