

Everyone Knows Vacationer

Not 100% sure on these lyrics...
no capo

F C Am G/D (x4)

(G/D) F C Am
Should have been better

G/D F C Am G/D
whenever we got it together

F C Am G/D
Had it all wrong, wrong enough for the

F C Am G/D
moment to smoke in

A7 Dm
We were slow to complain

D7 C (x1)
We once were amazed

[CHORUS]

F C Am G/D
We found another place, guess that s just how it goes

F C Am G/D
Now were off on our way it sounds like everyone knows

F C Am G/D
We found another place, guess that s just how it goes

F C Am G/D
Now were off on our way it sounds like everyone knows

A7 Dm
We should cool off

F C Am G/D (x2)

F C Am G/D

Never been better leavin' room

F C Am G/D
for another, not a father

F C Am G/D
Coulda had all, all that love

F C Am G/D
if we lasted, but we cast it

F C Am G/D
Never forget her I've been reading right off

F C Am G/D
of the chart, it was leading me wrong

A7 Dm D7 C
It's slow, it's in pain, it's dark but it stands

A7 Dm
but the core; it's plain sick

Ooooooh

[CHORUS] (x6)

A7 Dm
We should cool off

A7 Dm
We should cool off
