

**Everyone Knows
Vacationer**

Not 100% sure on these lyrics...
no capo

G D Bm A/D (x4)

(A/D) G D Bm
Should have been better

A/D G D Bm A/D
whenever we got it together

G D Bm A/D
Had it all wrong, wrong enough for the

G D Bm A/D
moment to smoke in

B7 Em
We were slow to complain

E7 D (x1)
We once were amazed

[CHORUS]

G D Bm A/D
We found another place, guess that s just how it goes

G D Bm A/D
Now were off on our way it sounds like everyone knows

G D Bm A/D
We found another place, guess that s just how it goes

G D Bm A/D
Now were off on our way it sounds like everyone knows

B7 Em
We should cool off

G D Bm A/D (x2)

G D Bm A/D

Never been better leavin' room

G D Bm A/D
for another, not a father

G D Bm A/D
Coulda had all, all that love

G D Bm A/D
if we lasted, but we cast it

G D Bm A/D
Never forget her I've been reading right off

G D Bm A/D
of the chart, it was leading me wrong

B7 Em E7 D
It's slow, it's in pain, it's dark but it stands

B7 Em
but the core; it's plain sick

Ooooooh

[CHORUS] (x6)

B7 Em
We should cool off

B7 Em
We should cool off
