Tabbed by smallbrun

An awesome song by an awesome band!  
And really easy to play!  
Sounds better with barre chords, but i suppose you can play it open  
No one has tabbed this yet, and it s awesome, so thought i would

[CHORUS]

**G** **F** **C** **F**  
Woah, now I am drained  
**G** **F**  
And I don t wanna run no more  
**C** **F**  
I think I ve done enough and I know  
**G** **F**  
You said you d wait on the other side, yeah  
**C** **F** **G**  
But I can t keep with the pace  
**F**  
That you set when we began, I  
**C**  
I don t wanna run no more  
**F** **G** **F**  
Said I think I ve done enough, yeah

[VERSE 1]

**C** **F** **G** **F**  
I wanna understand the pain you put me through  
**C** **F** **G** **F** **C**  
So I go out and search for reasons why you are not around me anymore  
**F** **G** **F**  
I wonder if my leaving was your aim  
**C** **F** **G** **F**  
To keep me near, but never close enough for coming home

[BRIDGE]

**Am** **E** **F**  
So don t buy me flowers, if you re gonna bring me roses  
**G** **Am**  
Scar tissue s settling, right where the other thorn is

**E**

**F**

Don t come around here, if you re gonna leave me hopeless

**G**

Scar tissue s settling, right where the other thorn is

[CHORUS]

Woah, now I am drained  
And I don t wanna run no more  
I think I ve done enough and I know  
You said you d wait on the other side, yeah  
But I can t keep with the pace  
That you set when we began, I  
I don t wanna run no more  
Said I think I ve done enough, yeah

[VERSE 2] (same chords as verse 1)

I need to find a way to deal with being a fool  
I m getting by oh so high I know I will crash eventually  
It s all the blur and tears I see, through  
They let me smile but when they don t dry out I can see you clear

[BRIDGE]

So don t buy me flowers, if you re gonna bring me roses  
Scar tissue s settling, right where the other thorn is  
Don t come around here, if you re gonna leave me hopeless  
Scar tissue s settling, right where the other thorn is

[CHORUS]

Woah, now I am drained  
And I don t wanna run no more  
I think I ve done enough and I know  
You said you d wait on the other side, yeah  
But I can t keep with the pace  
That you set when we began, I  
I don t wanna run no more  
Said I think I ve done enough, yeah

[OUTRO] (continue chorus chords)

Has she, or hasn t she got everything I ever wanted  
Has she, or hasn t she got everything that I want  
Has she, or hasn t she got everything I ever wanted...

the end :)
