An awesome song by an awesome band!
And really easy to play!
Sounds better with barre chords, but i suppose you can play it open
No one has tabbed this yet, and it s awesome, so thought i would

[VERSE 2] (same chords as verse 1)

I need to find a way to deal with being a fool
I m getting by oh so high I know I will crash eventually
It s all the blur and tears I see, through
They let me smile but when they don t dry out I can see you clear

[BRIDGE]

So don t buy me flowers, if you re gonna bring me roses
Scar tissue s settling, right where the other thorn is
Don t come around here, if you re gonna leave me hopeless
Scar tissue s settling, right where the other thorn is

Woah, now I am drained
And I don t wanna run no more
I think I ve done enough and I know
You said you d wait on the other side, yeah
But I can t keep with the pace
That you set when we began, I
I don t wanna run no more
Said I think I ve done enough, yeah
