D
I heard your footsteps this morning
D
You know it s hard to get by when you don t sleep at all

VERSE

D G
I heard your footsteps this morning
Bm G
You know it s hard to get by when you don t sleep at all
D G
I m just trying to be honest
Bm
When I say my body s feeling tired
G
And I ve got to move on

BRIDGE

D A
But I hope and I pray that your legs
Bm G
Will somehow find the strength

CHORUS

D F#m G

And they all carry on

Bm

G

They want nothing but to be better off

D

F#m

G

And I've heard in my rage

Bm

G

But I found it in my heart to believe

D

You are home.

VERSE

D

G

Some nights I have this blurred vision

Bm

G

Where we dance in a dream to the songs that we love

D

G

Bm

Those songs have paid for those lonely souls who were singing along

G

When it wasn't enough

BRIDGE

D

A

Just to hope and to pray

Bm

G

That there bodies somehow find the strength

CHORUS

MIDDLE 8

Em

D

I've been waiting for good news

Bm

G

Since you left, a little piece of my heart

Has been pounding out of my chest

Em

D

A

G

We're waiting for good news aren't we no-----w?
