

Pennsylvania Holiday
Valencia

Capo 3rd fret

Intro: **G D Em C**

Verse 1:

G D Em C
Well the lights are shining on the houses that line my street
G D Em C
And me, I m calling to a cell phone that s far away
G D Em C
Cause December has been rolling in since two weeks ago
G D Em C
There s just nothing like cold air to make me feel at home

Bridge:

D
Well I ve been working way too hard
Em C
It seems that all I need
D
Is a pennsylvania holiday
Em C
To make me feel like me

Chorus:

G D
And it s the perfect time for the holidays
Em C
I don t think that I can wait
G D
I ve been so good this year
Em C
I feel that I ve been making progress
G D
And all I ask of you this time
Em C
Is a break from all the stress of life
G D
Let s drink, let s sing, relax

Em

C

D

And bring the year in with a smile

Verse 2:

Do you remember the stories we were told when we were kids
About snowfall and reindeer and that jolly old saint nick?
Do you miss feeling youthful or are you searching for clarity
About why we grew up and forgot just how to believe?

Bridge

(**D Em C**) x2

Just get my friends and family
And celebrate the warmth that Christmas brings
A pennsylvania holiday
Is all we need

Chorus

(**G D Em C**) x4

Well here s to the days when we had faith and such simple dreams
Of waking up at dawn to a snow-filled lawn and the scent of christmas trees
Though time has passed this feeling lasts, or so it seems
We ve gotten older now but we ve finally found just what christmas means

Chorus
