

Still Need You Around Lost Without You  
Valencia

Valencia - Still need you around (Lost without you)

**G Am Em C D** (Strum like piano chords)

**G** It s times like these where I lose myself in the stories **Am**  
**Em**  
my old man would tell about life, true love, and war,  
**C D**  
the kind of war where you beat yourself.

**G**  
Cause now I ve got this stomach pain,  
**Am Em**  
the kind of pain that gets worse when the rain hits hard,  
**C D**  
like my fist when I try to explain to the wall

**G G** (Strum just **G, B** and **E**)  
this mess I m in.

**G**  
See, I m tired now and my mind won t quit  
**Am**  
since I got the news that you were sick.

**Em**  
I thought of life, of time and death.

**C D**  
If I could only use my breathe,

**G**  
I d breathe my life into your lungs.

**Am Em**  
With love and strength, I have faith I will lift you up.

It s a lesson learned.

**C D C**  
As we move on, I still need your around.

**G D**  
I d be lost without you.

**C G D**  
I m not sure I could face this world on my own.

**C G D**  
No, I don t wanna go on alone.

You are what you leave,
