

**Where Did You Go
Valencia**

Valencia
Where Did You Go?
We All Need A Reason To Believe
2008

*On the album version the F is a normal F major, but if you are playing solo on acoustic it sounds real nice to change it for an Fmaj7 :)

Capo 1

Verse 1

C
And it feels like this is the last chance I have to say

F
Every word that I ve been fighting, well I ve finally decided

C
To hold my head up with pride and accept the way

F
Life takes you through these changes, cause when you reach the stars, you ve made it

Bridge

G **F**
It s just something that I ve been trying to let you know
G **F**
And now that you re gone I m holding on, and I just can t let go

Chorus

Am
I get a little down on my self

F
But when you came around

C **G**
The world felt new

Am
I opened up my eyes to the light

F
And I saw deep inside

C **G**
A love that was true

Am **F**
And if I ever let you go,

C **G**
I m hoping that some time will show

Em **F** **C**
That you re the one, you re the one for me

Verse 2

C
And it feels like this the perfect time for me to say

F
That deep down inside I m hurting, but at least I know you re worth it

C
And if I hold myself with pride and accept the pain

F
Then life will take me through these changes, cause I ve so much left to see

Bridge

G **F**
It s just something that I ve been dying to let you know.

G **F**
Cause now that you re gone I m holding on and I just can t let go.

Chorus

Am
I get a little down on my self

F
But when you came around

C **G**
The world felt new

Am
I opened up my eyes to the light

F
And I saw deep inside

C **G**
A love that was true

Am **F**
And if I ever let you go,

C **G**
I m hoping that some time will show

Em **F** **C**
That you re the one, you re the one for me

Middle 8

C **Em** **F**
So let s go back down to the back of that river where

C
We we can dive right in

Em **F**
And forget about the worries from the world outside,

C **Em** **F**
Cause you know my world, my world s not over

C **Em** **F**
Because I have an angel on my shoulder.

C **Em** **F**
And I ll be coming home, and when I feel those butterflies

C **Em** **F**
I ll see that I need to find a better way just to believe

C **Em** **F**

You re gone, so long, some day I ll find the strength to move on.

Chorus

Am

I get a little down on my self

F

But when you came around

C

G

The world felt new

Am

I opened up my eyes to the light

F

And I saw deep inside

C

G

A love that was true

Am

F

And if I ever let you go,

C

G

I m hoping that some time will show

Em

C

That you re the one, you re the one for me
