

**Creatures Of The Night**  
**Valentine**

Valentine- Creatures of the night

-> I know that it s not a 100% correct but it s totaly usable for playing. Got the chords by ear and tried to keep them as simple as possible.

1)

**G**  
Nine - point - nine  
                                  **Am**  
We ll meet at the edge  
          **D**                                  **Am**  
Where sunlight turns to red  
                                  **G**  
We shed our skin  
                                  **Am**  
There s nothing to fear  
                                  **G**  
They come from everywhere  
  
                  **Am**                                  **F**  
Step - by - step we reach the place  
                  **Am**                                  **G D**  
Where we can dance in the night  
          **Am**                                  **F**  
And I - I feel the trance  
                                  **E**  
That fills your eyes so bright

Ref:

**G**  
Come with me  
                  **D**                                  **Am**  
We re the creatures of the night  
                                  **G**  
Running free  
                  **D**                                  **Am**  
Waiting for the moon to rise  
          **G**                                  **A**                                  **E**  
Full of joy we are breathing in the light  
          **G**                                  **D**                                  **Am**  
We are one we re the creatures of the night

2)

Snakes entwined  
Surrounding my shape

No reason to escape  
Hear my voice  
I m singing to you  
The anthem of the moon

Night by night  
Revolution grows  
The world will know who we are  
And dark turns into light  
It feels so right

Ref:  
Here we are we re the creatures of the night  
Running free, waiting for the moon to rise  
Full of joy we are breathing in the light  
We are one we re the creatures of the night

**G**                    **Am**  
Creatures of the night (3x)

**C**  
Creatures of the night

Ref:  
Here we are we re the creatures of the night  
Running free, waiting for the moon to rise  
Full of joy we are breathing in the light  
We are one we re the creatures of the night
