ive seen the red sunset turn gold on Loch Fyne
D **Dsus4** **G**
ive seen this true wonder for the very last time
C **Am**
the street lights of Tarbert glow beckoning bright
D **Dsus4** **G**
and the shivering cold of a hark winters night
C **Am**
the kyles in they re glory are spread out below
D **Dsus4** **G**
the high hills of Arran are white capped with snow,

G **C** **Am**
i ll soon have to think of Australia as home
D **Dsus4** **G**
but the truth will be always Argyll
D **G**
always Argyll, always Argyll
A **C** **D** **Dsus4**
long may the memories linger
G **C** **Am**
i ll soon have to think of Australia as home
D **Dsus4** **G** **D**
but the truth will be always Argyll
G
always argyll

G **C** **Am**
above tighnabruich, i look out to sea
D **Dsus4** **G**
it will soon be no more than a memory for me
C **Am**
i will shed as few tears as my heart will allow,
D **Dsus4** **G**
and maybe in time i ll be happy some how
C **Am**
thoughts of my childhood spin round in my mind
D **Dsus4** **G**
as i gaze on the beauty im leaving behind.

D **G**
always Argyll, always Argyll
A **C** **D** **Dsus4**
long may the memories linger

G

they ll ask where i come from

C **Am**

D **Dsus4** **G**
