

Cant Stop

Valerio Scanu

intro

Fm Db Bbm

Fm Db

Five a.m. I'm wide awake

Bbm (Ab Eb)

I've been lying here since two

Fm Db

and in my head it's back again

Bbm (Ab Eb)

It's hard for me to sleep beside you

Keep on going over what

you did and how you hold him

when you kissed

when you kissed

would it still be

undercover

if you've never been

discovered like this

What it hurts is

I can't stay but

I can't stop

I can't stay but

I can't stop loving you

I can't stay but

I can't stop

I can't stay but

I can't stop loving you

One mistake it's all it takes

for everything we build to fall

I know you try

to make things right

I wish I could forget it all

Keep on going over what

you did and how you hold him

when you kissed

when you kissed

would it still be

undercover

if you've never been

What it hurts is

I can't stay but

I can't stop

I can't stay but

I can't stop loving you

I can't stay but
I can't stop
I can't stay but
I can't stop loving you

Db**** **E**b****

Thought I said that I'd forgive I can't forget

Bm****

cause it's impossible

Ab**** **E**b****

Db**** **E**b****

Try to make me understand in any way you can
