Intro: E C#m7 B

Verse#1:

```
E      C#m7      B
I realize, there are things I never said
E      C#m7      B
And always tried to look away from the things we never had
A      C#m7      B
I want to speak, but words won t come
      A      C#m7      B
Because my voice, it s locked inside a heart shaped box, and I will wait till...
```

Refr:

```
E      B      C#m7      B
You say when, I ll say how to unlock, yeah
E      B      C#m7      B
You say when, I ll say how to unlock
      E      C#m7      B
My heart shaped box, oh no
```

Verse#2:

```
E      C#m7
But I know for sure, there s more
      B
It holds us back from growing strong
A      C#m7 B
I want to speak, but words won t come
      A      C#m7      B
Because my voice, it s locked inside a heart shaped box, and I will wait till...
```

Refr:

```
E      B      C#m7      B
You say when, I ll say how to unlock, yeah
E      B      C#m7      B
You say when, I ll say how to unlock
```

Bridge:

(And I will wait till...)

**C#m7**                    **E**        **B**  
It s just another life we live yeah

(And I will wait till...)

**C#m7**                    **E**        **B**  
It s just another life we live

(And I will wait till...)

**C#m7**                    **E**                    **B**        **A**  
And in another time, when my voice isn t locked  
                                 **E**    **B**                    **C#m7**    **B**  
And I will wait till, I will wait till, I will wait till...

Refr:

**E**            **B**                            **C#m7**        **B**  
You say when, I ll say how to unlock, yeah

(I will wait till, I will wait till, I will wait till...)

**E**                    **B**                            **C#m7**  
This box of mine opened up my eyes

(I will wait till, I will wait till, I will wait till...)

**B**  
I will never go back again

**E**                    **B**                            **C#m7**    **B**    **E**  
This box of mine opened up my eyes
