I wake up, my shoulders cold
I ve got to leave here, before I go
I pull my shirt on, walk out the door
Drag my feet along the floor
I pull my shirt on, walk out the door
Drag my feet along the floor

Then I see you, you re walking cross the campus
Cruel professor studying romances

G D C
How am I supposed to pretend
G D C
I never want to see you again
G D C
How am I supposed to pretend
G D C
I never want to see you again

Verso: Riff

Walked to class, in front of ya
Spilled kefir on your keffiyeh
You look inside and turn to the door
Drag your feet along the floor

Then I see you, you re walking cross the campus
Cruel professor studying romances

G D C
How am I supposed to pretend

G D C
I never want to see you again

I never want to see you again

In the afternoon, you're out on the stone and grass

And I'm sleeping on the balcony after class

In the afternoon, you're out on the stone and grass

And I'm sleeping on the balcony after class

In the afternoon, you're out on the stone and grass

And I'm sleeping on the balcony after class
