Spilled kefir on your keffiyeh  
You look inside and turn to the door

I never want to see you again

In the afternoon, you're out on the stone and grass

And I'm sleeping on the balcony after class

In the afternoon, you're out on the stone and grass

And I'm sleeping on the balcony after class

In the afternoon, you're out on the stone and grass

And I'm sleeping on the balcony after class
