I wake up, my shoulders cold
I ve got to leave here, before I go
I pull my shirt on, walk out the door
Drag my feet along the floor
I pull my shirt on, walk out the door
Drag my feet along the floor

F# C# G#m B
Then I see you, you re walking cross the campus
F# C# G#m B
Cruel professor studying romances

F# C# B
How am I supposed to pretend
F# C# B
I never want to see you again
F# C# B
How am I supposed to pretend
F# C# B
I never want to see you again

Verso: Riff

Walked to class, in front of ya
Spilled kefir on your keffiyeh
You look inside and turn to the door
Drag your feet along the floor

F# C# G#m B
Then I see you, you re walking cross the campus
F# C# G#m B
Cruel professor studying romances

F# C# B
How am I supposed to pretend
F# C# B
I never want to see you again
F# C# B
How am I supposed to pretend

I never want to see you again

In the afternoon, you re out on the stone and grass

And I m sleeping on the balcony after class

In the afternoon, you re out on the stone and grass

And I m sleeping on the balcony after class

In the afternoon, you re out on the stone and grass

And I m sleeping on the balcony after class
