C Cmaj7/B Am C/G
One look sent knees to the ground,
F C F C/G
Young bloods can't be settling down
C Cmaj7/B Am C/G
Young hearts need the pressure to pound,
F C F C/G
So hold me close my baby

[Pre-Chorus]

C Cmaj7/B Am C/G
Don't lie, I want him to know
(C/G) F C F C/G
Gods' loves die young, is he ready to go?
C Cmaj7/B Am C/G
It's the last time running through snow
(C/G) F C F C/G
Where the vaults are full and the fire is bold

[Chorus]

C Cmaj7/B Am C/G
I want to know, does it bother you?
F C F C/G
The low click of a ticking clock
C Cmaj7/B Am C/G
There's a lifetime right in front of you
F C F C/G
And everyone I know

[Verse 2]

C Cmaj7/B Am C/G
Young turks, young Saturday nights
F C F C/G
Young hips shouldn't break on the ice
C Cmaj7/B Am C/G
Old flames, they can't warm you tonight

F C F C/G

So keep it cool, my baby

[Pre-Chorus 2]

C Cmaj7/B Am C/G

Don't lie, I want him to know

F C F C/G

Dial up, three rings and return him his gold

C Cmaj7/B Am C/G

It's the last time running through snow

(C/G) F C F C/G

Where the vaults are full and the fire is bold

[Chorus 2]

C Cmaj7/B Am C/G

I want to know, does it bother you?

F C F C/G

The low click of a ticking clock

C Cmaj7/B Am C/G

There's a headstone right in front of you

F C F C/G

And everyone I know

Don't lie, I want 'em to know

(C/G) F C F C/G

God's love die young, are you ready to go?

C Cmaj7/B Am C/G

Cause the fire can't last and the winter's cold
