

**Everlasting Arms**  
**Vampire Weekend**

**G#**                    **C#**                    **Fm**    **G#**  
I took your counsel and came to ruin  
**Eb**                    **G#**                    **C#**                    **G#**  
Leave me to myself, leave me to myself (repeat)

**G#**                    **C#**                    **Fm**    **G#**  
Oh            I was made to live without you  
**Eb**                    **G#**                    **C#**                    **G#**  
But Iâ€™m never going to understand, never understand

**G#**                    **C#**                    **Fm**    **G#**  
Oh            I was born to live without you  
**Eb**                    **G#**                    **C#**                    **G#**  
But Iâ€™m never going to understand, never understand

**C#** / **G#** / **Cm** / **Eb** / **C#** / **G#** / **Eb** / **Fm** /  
Hold me            in your everlasting arms  
**C#**                    **G#**                    **Cm**                    **C#**  
**G#**                    **Eb**  
Looked up full of fear, trapped beneath the chandelier thatâ€™s going doooown

I thought it over and drew the curtain  
Leave me to my cell, lead me to my cell  
I hummed the dies irae as you played the hallelujah  
Leave me to cell, donâ€™t leave me in my cell

If youâ€™ve been made to serve a master youâ€™d  
Be frightened by the open hand, frightened by the hand  
Could Iâ€™ve been made to serve a master  
Well Iâ€™m never going to understand, never understand

**C#** / **G#** / **Cm** / **Eb** / **C#** / **G#** / **Eb** / **Fm** /  
Hold me            in your everlasting arms  
**C#**                    **G#**                    **Cm**                    **C#**  
**G#**                    **Eb**  
Looked up full of fear, trapped beneath the chandelier thatâ€™s going doooown

**C#** / **G#** / **Cm** / **Eb** / **C#** / **G#** / **Eb** / **Fm** /  
Hold me            in your everlasting arms
