**F#**                    **B**                    **Ebm**    **F#**  
I took your counsel and came to ruin  
**C#**                    **F#**                    **B**                    **F#**  
Leave me to myself, leave me to myself (repeat)

**F#**                    **B**                    **Ebm**    **F#**  
Oh            I was made to live without you  
**C#**                    **F#**                    **B**                    **F#**  
But Iâ€™m never going to understand, never understand

**F#**                    **B**                    **Ebm**    **F#**  
Oh            I was born to live without you  
**C#**                    **F#**                    **B**                    **F#**  
But Iâ€™m never going to understand, never understand

**B** / **F#** / **Bbm** / **C#** / **B** / **F#** / **C#** / **Ebm** /  
Hold me            in your everlasting arms  
**B**                    **F#**                    **Bbm**                    **B**                    **F#**  
**C#**

Looked up full of fear, trapped beneath the chandelier thatâ€™s going doooown

I thought it over and drew the curtain  
Leave me to my cell, lead me to my cell  
I hummed the dies irae as you played the hallelujah  
Leave me to cell, donâ€™t leave me in my cell

If youâ€™ve been made to serve a master youâ€™d  
Be frightened by the open hand, frightened by the hand  
Could Iâ€™ve been made to serve a master  
Well Iâ€™m never going to understand, never understand

**B** / **F#** / **Bbm** / **C#** / **B** / **F#** / **C#** / **Ebm** /  
Hold me            in your everlasting arms
