Looked up full of fear, trapped beneath the chandelier thatâ€™s going doooown

I thought it over and drew the curtain  
Leave me to my cell, lead me to my cell  
I hummed the dies irae as you played the hallelujah  
Leave me to cell, donâ€™t leave me in my cell

If youâ€™ve been made to serve amaster youâ€™d  
Be frightened by the open hand, frightened by the hand  
Could Iâ€™ve been made to serve a master  
Well Iâ€™m never going to understand, never understand
