D **A**
In December drinking horchata
G **A**
I d look psychotic in a balaclava
G **A**
Winter s cold is too much to handle
G **A**
Pincher crabs that pinch at your sandals

D **C9**
(Whoaaaaa ooooh)

D **A**
In December drinking horchata
G **A**
Look down your glasses at that aranciata
G **A**
With lips and teeth to ask how my day went
G **A**
Boots and fists to pound on the pavement
D **C9**
Here comes a feeling you thought you d forgotten
G **A**
Chairs to sit and sidewalks to walk on

D **C9**
(Whoaaaaaa ooooh)

D **A**
You d remember drinkin horchata
G **A**
You d still enjoy it with your foot on masada
G **A**
Winter s cold is too much to handle
G **A**
Pincher crabs that pinch at your sandals
D **C9**
Here comes a feeling you thought you d forgotten
G **A**
Chairs to sit and sidewalks to walk on
D **Cadd9**
Ooh you had it but oh no you lost it

 Years go by and hearts start to harden
G **A**
 Those palms and firs that grew in your garden
G **A**
 Are falling down and nearing the rose beds
G **A**
 The roots are shooting up through the tool shed
G **A**
 Those lips and teeth that asked how my day went
G **A**
 Are shouting up through cracks in the pavement

 You understood so you shouldn t have fought it
